Welcome to the Eastern Crabbet Arabian Horse Society

Crabbet Celebration XXXIV

We invite you to join us for a weekend of relaxed, fun-filled horse showing and camaraderie. We are excited and proud to be holding this year's Crabbet Celebration at Harford Equestrian Center and would like to welcome everyone, especially people in the surrounding community, and those that may never have attended one of our events. Everyone is welcome.

One thing that makes our Crabbet Celebrations different from an ordinary horse show is the relaxed atmosphere and the people that know so much about Crabbet horses. They are glad to share their knowledge with any and all. We hope you experience that long ago feeling of what it was like to go out and "show off" your horse in a relaxed and comfortable atmosphere. Come and meet the beautiful Arabian horses up close and personal. There will be young ones, old ones and everything in between. If you have an Arabian, chances are good that Crabbet bloodlines are running through those veins. Come and participate in the Clinics, let the young ones participate in our youth activities and see the beautiful Arabian stallions. Try your luck at our Chinese Auction! But more importantly, come and experience that friendly, family atmosphere that ECAHS is so well known for and is why we all look forward to coming. Join us for a special weekend. You'll be glad you did!

Send your entries in early and get ready for a great weekend!

SIR EDVOV AWARD: To the First Place PB Stallion aged 20 & Over. Or to the PB Stallion 10 to 19 if there are no entries in PB Stallions 20 & Over. Donated each year by JSM Arabians, Dr. & Mrs. James Miller and Buzz & CJ Ferlan to honor their stallion Sir Edvov.

AL-MARAH COUNTESS ANNE TEE AWARD: To the First Place PB Mare 20 & Over. Or to the First Place PB Mare 10 to 19 if there are no entries in PB Mares 20 & Over. Donated by Fairfield Farm, the Moore Family, to honor their foundation mare Al-Marah Countess Anne Tee.

THE DR. JOHN ALDRED AWARDS: To the Winner of the Judged Leadline Classes, to honor Dr. John Aldred. Two leadline trophies: Leadline 7 & Under, Ponied Leadline 10 & Under.

THE ANNIE'S ANGEL AWARD: To the High Scoring Purebred Weanling Filly. Donated by Whispering Hope Farm in Memory of WH Annie's Angel.

THE KARMA ARABIANS VERSATILITY AWARD IN HONOR OF KM ARISTOSON+//: Open to purebred, Half Arab, or Anglo-Arab. Horse must be signed up for this award before noon on Saturday. Includes nine (9) divisions: Hunter/English, Western, Jumping/Over Fences, Dressage, Western Dressage, Sport Horse In-Hand & Halter, Sport Horse Under Saddle, Trail In-Hand & Under Saddle and Mounted Games. More than one handler/rider can participate with the same horse. The highest total score will determine the winner of the "Most Versatile Arabian" and will be determined by totaling the highest score of each horse from each of five divisions. If a horse is ridden/handled in more than one class in a division, only one of the scores in that division will be used. The AHA points system will be used--one point for entering the ring and one point for each horse that you place above: i.e. if there are 12 horses in the class and your horse places 2nd, the horse would get 11 points for that class; one (1) point for entering the ring and ten (10) points for placing higher than 10 horses. **Enter no later than Noon, Saturday, August 19, 2017.** There will be a form available for you to record your divisions/scores. Sponsored by Dr. Karlan Downing and Ray Lemaster.

LAUREN ANNETT is from Lincoln University, PA-Lauren is a USDF Silver Medalist and L Graduate with Distinction. She has competed through PSG in Open & Arabian shows. Lauren also works in Antibody Reagent Manufacturing. Please visit www.ballyvaefarm.com for more information about the family boarding & training operation. Lauren would like to thank everyone attending & wishes each Good Luck!

PAT BOBB has owned Arabians since 1987, and has bred several Crabbet related horses. She is a Charter Member of ECAHS and has served as an officer or Board Member most every year since its origination. She is now serving as ECAHS Vice-President and chair of the Certification Committee. Though she has done little showing, herself, as an adult, she has attended and assisted with every Crabbet Celebration from the beginning. Crabbet Celebration XXIV, will be her first venture into judging, since she was a teen, judging the early Bit & Bridle Club shows in Chesterfield County, VA.

YOGI MCCORMICK-To be updated.

JANET OLENA purchased her first Arabian horse, a purebred gelding, in 1968. This horse proved to be a fine show horse under the guidance of John Van Barriger, an old time horseman and wonderful friend. Janet had learned to ride at camp and rode her friends' horses until she could buy her own.

Janet and John showed horses together for 10 years, attending Arabian shows in Pennsylvania and four of its surrounding states plus Massachusetts. During those years, Janet purchased two mares, bred them to John's stallion, a Crabbet bred horse, and her horse business was born.

After John's death in 1978, she continued as a small breeder, owning two stallions, SS Toscanini and AJ Conquiborr, the latter being of Polish and Crabbet descent (slightly over 35% Crabbet).

Janet learned a vast amount of information, horse lore, practical horse care, breeding, training and showing from John Van Barriger. She accompanied him on trips to judge small horse shows which led to her obtaining an AHA Arabian judges card. Over the years, she judged numerous open and 4-H shows and Arabian rated shows in the United States, including Youth Nationals. Foreign countries where she judged were Canada and Brazil. Later an AMHA Miniature Horse card enabled her to judge the minis for about 5 years.

As a senior citizen, Janet has now downsized to one horse and only judges a few small shows. Riding in the woods of Sullivan County Pennsylvania is a favorite pastime as she ponders her past and recollects what a wonderful 50 years she enjoyed with the Arabian horse!

PAUL SOLOMON has a BS degree from Penn State University in Agriculture with a number of courses in animal husbandry. Between 1953 and 1960 he assisted his parents in the management of Rock Creek Arabians in Gettysburg, PA. Beginning in 1960 and running through 1964, he managed Whitmore Arabians in Salt Lake City, UT, the largest Arabian farm in the inter-mountain west. Mr. Solomon also successfully showed Arabians over the entire western states including CA and was responsible for overseeing the breeding program. In more recent years, he owned/managed Woodbridge Arabians in York County, PA and was associated with Jimmy Dean in standing Gainey-bred Arabians at his farm including Gai Apache, Gai Shannon and Gai Torero. He has judged a number of Arabian shows in the amateur circuit over the years and Mr. Solomon still retains an interest in the Arabian horse.

CLINICS/DEMOS

Trail Clinic-Janet Olena will give one-on-one instruction on completing trail obstacles. Each participant will be given pointers on how best to approach and complete an obstacle that is troublesome for your horse. This is not a judged class and there is no entry fee. John W. (Jack) Sims YOUTH CHALLENGE

The John W. (Jack) Sims Youth Challenge Program continues for 2017. The Youth Challenge is intended to be an ongoing program that will encourage youth ages 12 and under (Juniors) and ages 13 through 19 (Seniors) to participate in a project that includes Crabbet Arabian horses, along with the support and guidance of an ECAHS mentor. The Youth Challenge was created in memory of John W. (Jack) Sims. Jack was an active member of ECAHS and a strong supporter of educating, training and encouraging youth participation.

We are excited and pleased with past participation and hope for many great years to come. Keep an eye on the show ring for some of our past and present Youth Challenge participants. Encourage young people in their efforts with horses and talk to them about their ambitions and goals. Let them know we are interested in helping them achieve their dreams.

You can support the Youth Challenge by purchasing a Youth Challenge T-shirt or by purchasing a 50/50 Raffle ticket. Please encourage your youth to enter.

ECAHS is now participating in the Southern States Special Horse Organization Winner's Program (SHOW) that allows us to turn Southern States feed bags into 'money bags' for show use. All the proceeds from Southern States feed bags proof of purchase seals will be used to support the Youth Challenge. Please contact Joanna Garofalo, SunSet Arabians, 9653 Nutbush Road, Green Bay, VA 23942, 434.321.7471, joannagarofalo@hotmail.com for more information. **Many thanks to Southern States for their support.**

Crabbet Celebration XXIV

CERTIFICATION INFORMATION

In order to show horses in ECAHS specified classes (see **Eligibility, Page 11**), they must be certified to be at least 25 percent Crabbet/Blunt breeding. This is accomplished by pedigree research by the ECAHS Certification Committee and the percentage will be provided, rounded to two decimal places. Many horses that are not thought of as being “Crabbet” have the qualifying amount, so check carefully.

To certify your horse send the following information to Pat Bobb at the address below or email to pbobb@aol.com:

Horse’s Name: _____

Registration #: _____ Sex: _____ Color: _____

Horse’s Date of Birth: _____

Checks should be made payable to ECAHS and mailed to Pat Bobb or payments may be made by **PayPal** at ECAHS@hotmail.com

\$ 5 for ECAHS members	\$5.25 via PayPal for ECAHS members
\$10 for Non-members	\$10.50 via PayPal for Non-members

Pat Bobb, Certification Committee

86 White Road
Columbia, VA 23038
804-375-3153

The fee supports the printing and postage of the ECAHS certificate, which is suitable for framing. The ECAHS certificate indicates the percentage of Crabbet blood in the horse and will entitle you to participate in ECAHS events providing your horse is at least 25 percent Crabbet/Blunt breeding. If your horse does not qualify for certification, that is, if it fails to meet the 25 percent requirement, your fee will be refunded.

Certification deadline for Crabbet Celebration XXIV will be August 4, 2017.

GENERAL RULES FOR THE CRABET CELEBRATION

ABUSE: Abuse, in any shape or form, to horses or any animal or person on the show grounds will not be tolerated. If an incident of abuse is observed, it should be brought to the attention of a member of the SHOW COMMITTEE identified by their name badges. The incident will be promptly investigated and disciplinary action taken if warranted. Disciplinary action may include, but is not limited to, forfeiture of all fees and expulsion from the premises and suspension from ECAHS membership.

ELIGIBILITY: *Dressage, performance, jumping and trail and mounted games are open to all breeds, along with a non-Arabian open sport horse in hand and two open halter classes.* The only part of the Crabet Celebration that is strictly limited to ECAHS certified Arabians or part-bred Arabians with 25% or greater Crabet bloodlines is the in-hand halter, 13H-32H (see Class Schedule, Page 16). If your horse has Arabian bloodlines, you are encouraged to have its pedigree researched to certify its percentage of Crabet blood (to certify please see Page 8). The Crabet Stud exported Arabians worldwide, and many American-owned Arabians meet the 25% criteria. Our regular in-hand classes are judged using a point system. Two sets of awards are presented: 1) first through sixth, and 2) gold, silver and bronze medals based on points. It is possible to have three or four medals of a particular color given out in each

class. In addition, there is the Al-Marah Cup Trophy for the highest scoring purebred Arabian in the individual breeding classes, bred by the current owner.

BREED CONFORMATION RULES: The NO WHIP rule is encouraged. Horses shall be shown with natural neck and head positions. Exhibitors are encouraged to show their horses unclipped and natural in all classes. Horses are to be shown in-hand at a walk and trot. Horses are to enter at a walk. Halter horses are not to be stretched. A horse is considered not to be stretched if all four feet are flat on the ground and at least one front and one rear cannon bone are perpendicular to the ground. A horse must be handled and shown throughout the entire class by the same person except in the case of illness or injury to the handler. MAKEUP, excessive GREASE, BALDING of the face or eyelids, etc., are grounds for disqualification. Horses are to be on a loose lead and allowed to MOVE OUT and SHOW OFF.

JUDGING:

- A. Crabbet Celebrations are unrated events with most judging following USEF guidelines. Decisions of the ECAHS Board of Directors will be final. For exceptions to USEF see B, C, D & F.
- B. Trail In-Hand: To be led through/over obstacles such as gates/bridges, backed, led over ground poles; blanket rubbed; put on raincoat, etc. Judges may ask exhibitor to pickup hooves. Dams may be held to the side of the course.

- D. Medal scoring range will be Gold-90 and Above, Silver-82-89 and Bronze 75-81.
- E. USEF rules regarding rider/handler attire **will not** be enforced. But, appropriate attire is highly encouraged.
- F. Lead-line classes will be judged by Dr. Aldred's rules. (See Class Specifications).

STALLION PRESENTATIONS: Limited to 4 ECAHS certified stallions. For a fee of \$50, stallions may be presented in-hand, under saddle, in harness or at Liberty. You may also supply your own music (must be furnished on CD) to be played through the announcer's microphone. You will be allowed at least 3 minutes and a maximum of 10 minutes in the arena. *In honor of the aged stallions that have contributed so much to our beloved breed and also to display close examples of the bloodlines we breed, stallions 20 and over will not be charged a presentation fee.*

Concussion & Sudden Cardiac Arrest Information

PARENT & ATHLETE CONCUSSION INFORMATION SHEET

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious.

WHAT ARE THE SIGNS AND SYMPTOMS OF CONCUSSION?

Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury.

If an athlete reports one or more symptoms of concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of play the day of the injury. The athlete should only return to play with permission from a health care professional experienced in evaluating for concussion.

DID YOU KNOW?

- Most concussions occur without loss of consciousness.
- Athletes who have, at any point in their lives, had a concussion have an increased risk for another concussion.
- Young children and teens are more likely to get a concussion and take longer to recover than adults.

SYMPTOMS REPORTED BY ATHLETE:

- Headache or “pressure” in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Just not “feeling right” or is “feeling down”

SIGNS OBSERVED BY COACHING STAFF:

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes
- Can’t recall events prior to hit or fall
- Can’t recall events after hit or fall

CONCUSSION DANGER SIGNS

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless, or agitated
- Has unusual behavior
- Loses consciousness (even a brief loss of consciousness should be taken seriously)

WHAT SHOULD YOU DO IF YOU THINK YOUR ATHLETE HAS A CONCUSSION?

1. If you suspect that an athlete has a concussion, remove the athlete from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and it's OK to return to play.
2. Rest is key to helping an athlete recover from a concussion. Exercising or activities that involve a lot of concentration, such as studying, working on the computer, and playing video games, may cause concussion symptoms to reappear or get worse. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.
3. Remember: Concussions affect people differently. While most athletes with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.

WHY SHOULD AN ATHLETE REPORT THEIR SYMPTOMS?

If an athlete has a concussion, his/her brain needs time to heal. While an athlete's brain is still healing, s/he is much more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain. They can even be fatal.
